**SNF SETTLES UNFAIR COMPETITION SUIT AGAINST ZL**

**(Riceboro, GA; October 14, 2022)** SNF Inc., SNF S.A., SNF Oman LLC, and Petroleum Polymer Co. LLC ("SNF") and ZL Chemicals Ltd., Polymer Experts LLC, and ZL EOR Chemicals Ltd. ("ZL"), are jointly announcing that they have reached a confidential settlement concerning the suit filed by SNF against ZL and the counterclaim filed by ZL against SNF in *SNF Inc. v. ZL Chemicals Ltd., et. al.* (the "Litigation") in the United States District Court for the Southern District of Texas, Houston Division. The Parties filed a joint motion to dismiss, with prejudice, all claims asserted in the Litigation.

**About SNF**

SNF is a specialty chemical group whose products contribute to treating, recycling, preserving water, saving energy, and reducing carbon footprint. A pioneer in soft chemistry, SNF has long been present on all continents, employing 6,900 people. Innovation and movement towards a cleaner, more energy efficient and less carbon-intensive world are major drivers of SNF's growth, which achieved a turnover of €3.6 billion in 2021.
