

Certificate of Green Technology

Certificate No. : GT-22-01582

Company : SNF Korea Co., Ltd.

President : ChaeYoung Jung

Address : 215-100, Yeocheon-ro, Nam-gu, Ulsan,
Korea 215-100, Yeocheon-ro, Nam-gu,
Ulsan, Korea

Technology : Production technology of emulsion type
polyacrylamide produced under vacuum
polymerization process

Classification No. : T080204

We hereby certify that the above-mentioned Technology
has been approved as a Green Technology
by the Ministry of Climate, Energy, Environment
of the Korean government
under Article 60 of the Framework Act on Carbon Neutrality,
Green Growth for response to Climate Crisis and Article 27 of
the Management Code on Green Certification System.

Early Date of Issue : 2022.12.15

Date of Expiration : 2029.12.14

Ministry of Climate, Energy, Environment

Confirmation of Green Technology Product

Confirmation No. : GTP-23-03314

Product Name (Model Name) : Emulsion type polyacrylamide
(A-230E, A-333E, C-112EL, C-210E, C-411EMB, C-212EL, C-310EML, C-310E, C-360EL, C-410E)

Certificated Technology : Production technology of emulsion type polyacrylamide produced under fluid vacuum polymerization process

Certificate No. : GT-22-01582
